

# HOSPITALISATION RATES

Rate and price table since 2020/01/01

Care in public hospitals in France is **not for free**.

After getting out the hospital, a **financial participation might remain at your own expense**, in accordance with regulations.

- > a daily fee (DF) of 20 € per day (hosting costs<sup>1</sup>) ;
- > a patient's contribution (PC) : part of the health care fees (see table) not covered by your personal or national health system (20%)<sup>2</sup> ;
- > possibly a fixed amount of 24 € (related to a medical act greater than 120 € )<sup>3</sup>.

RATE FOR ACCOMPANYING PEOPLE		Meal of the accompanying person (lunch or dinner) : 7 € Overnight stay of the accompanying person (night + breakfast) : 20 €

- If your health insurance covers all your medical expenses, **you won't have to pay the fees in advance**, maybe even not at all.
- If you are facing **any financial trouble** to pay these fees, please go to the admissions office during your admission. The hospital's social service might help you with your administrative procedures.
- You should pay **the totality of the hospitalisation fees** if you do not benefit from a French health insurance protection.
- These fees can be paid **on the web site [www.ch-metropole-savoie.fr](http://www.ch-metropole-savoie.fr)**, " Payer en ligne".
